Dear Hiring Manager

I was motivated to contact you upon learning that your job has an opening for internships. For several years I have focused my career path and academic pursuits on Software Engineering and completion of Bachelor of Computer Science program with CSUMB. My personal philosophy is rooted in empowering others and creating a positive perspective of life's circumstances.

With a genuine and nurturing nature, combined with a professional and ambitious approach, I possess the primary skills needed in my field, including reliability, patience, and dedication. Additionally, leadership and team building are part of my skill set, with proficiency in problem-solving. Experience in interacting with diverse populations has given me in-depth understanding and awareness of differences in both individuals and organizations. These qualities will contribute to your company's mission while positively highlighting the professionalism and competencies in its employees. For further details of my qualifications, background, and academic history, please find my resume attached. I am confident that I can contribute positively to the role, and I welcome the opportunity to speak with you at your earliest convenience.
